

Every year, young people from all over Europe gather at the CinA-projects for one week to 10 days in order to meet new people, do good, and sharing faith. The meeting will consist of joyful and spiritual fellowship aswell as a working group whose aid will be directed to the European Methodist Festival that takes place from August 1 – August 5, 2007.

When: 27.7. – 5.8. 2007

Where: Bratislava, Slovakia

Age: 15 – 25 years

Language: German, English

Price: 70 € + travel costs (West)

50 € + travel costs (East)

The project will take place on the grounds of a hall of residence called Horsky Park in Bratislava. Tents for about 800 expected participants of the Methodist Festival will have to be put up. In the CinA-project, we will prepare the location, but we will also be present during the festival for handing out materials, taking care of order and security and so on. Other than work, of course there will be plenty of time for fun, entertainment, discussions, visits to Bratislava or trips, Bible work or simply for some relaxed time.

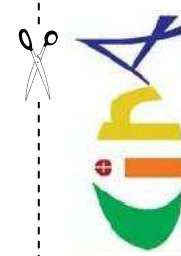

Our goal is to broaden our horizons, meet new people and make new friendships, help where necessary and spend some pleasant days together.
